That is both exhilarating and healing. Eye-opening and inspiring. Ordinary and extraordinary. The truth is, our campers are sick and tired of being labeled as "sick." They're just kids who want to be kids. And that is precisely what every day (and s'more-roasting night) is all about. (And of course, it's all always free of charge!). At this time we do not serve campers who have Autism or Down Syndrome as a primary diagnosis.
