Autism Support Network	PO Box 1525 Fairfield, CT 06824	203-404-4929	Online Support	http://www.autismsupportnetwork.com/	info@AutismSupportNetwork.com	Our goal is to short-cut the uphill battle individuals and families undertake when faced with autism – whether that means the initial diagnosis, the day-to-day living and coping needed, relationship and therapeutic strategies and the latest information. We all experience frustration and can feel isolation in our journeys with ASD. The Autism Support Network is designed as a place by those living with ASD for those with ASD and those seeking social connection, peer guidance and a feeling of community with those that understand.
10016						
Autism Speaks	1 East 33rd St 4th Floor New York, NY 10016	888-288-4762	Monday - Friday 9am to 1pm	www.autismspeaks.org	familyservices@autismspeaks.org	Autism Speaks is dedicated to promoting solutions, across the spectrum and throughout the lifespan, for the needs of individuals with autism and their families through advocacy and support; increasing understanding and acceptance of autism spectrum disorder; and advancing research into causes and better interventions for autism spectrum disorder and related conditions.
20814						
Autism Society of America	4340 East-West Hwy Suite 350 Bethesda, MA 20814	800-328-8476	Monday - Friday 9am to 9pm	http://www.autism-society.org/	info@autism-society.org	The Autism Society of America has been improving the lives of all affected by autism for over 50 years and envisions a world where individuals and families living with autism are able to maximize their quality of life, are treated with the highest level of dignity, and live in a society in which their talents and skills are appreciated and valued. We provide advocacy, education, information and referral, support, and community at national, state and local levels through our strong nationwide network of Affiliates.
48103						
PLAY Project	3031 Miller Road Ann Arbor, MI 48103	734-585-5333	Call for local location hours	http://www.playproject.org/	info@playproject.org	Children with autism need intensive intervention services. With autism prevalence on the rise, the need for cost-effective autism intervention models is needed now more than ever. PLAY Project is an evidenced-based parent-mediated autism intervention model that can be learned and delivered by experts in child development. PLAY Project offers a certification training and supervision combination that prepares trainees to deliver the intervention with fidelity (in accordance with the research).

New Heights Behavioral Health	3207 N Academy Blvd Suite 3300 Colorado Springs, CO 80917	719-344-6378	Call for Appointment	http://www.tre.org/services/new-heights-behavioral-health/	info@tre.org	At New Heights Behavioral Health, we specialize in offering customized behavior supports to people with intellectual and developmental disabilities. Our model is fully collaborative, where we work closely with psychiatrists, primary care physicians, long term service providers, schools, families and any other natural support that is part of a person's life. This coordinated, integrated approach to behavioral health treats the individual as a whole person, and acknowledges that any meaningful address of behavioral health needs must include all aspects of a person's life. Our goal in working with people is to focus on improving quality of life in ways that the person defines. We utilize applied behavior analysis, behavior modification, cognitive behavioral therapies, person-centered therapies, motivational interviewing, and art and play therapies, among many techniques. We create behavioral health supports that rely on functional assessment, and that address behavioral challenges as opportunities for growth. Accepting Medicaid Waivers, Medicaid, United Health Care, Aetna, Tricare, private pay, and more. We also work with clients to arrange customized payment options.

ABA Resources for Recovery from Autism				http://rsaffran.tripod.com/aba.html		

Apps for Children with Special Needs				http://a4cwsn.com/	Gary@a4cwsn.com	Apps for Children with Special Needs (a4cwsn) is committed to helping the families and carers of children with special needs and the wider community of educators and therapists who support them, by producing videos that demonstrate how products designed to educate children and build their life skills really work from a user perspective. Our aim is that these videos, along with relevant information and advice from an independent source you can trust, provides valuable insight into whether a product is suitable for its intended purpose or not, enabling sensible buying decisions to be made. We hope this site and its content provides a valuable resource to the community that serves our precious children with special needs.
Creative Learning 4 Kids				http://www.creativelearning4kidz.com/	Email on Site	Our goal is to provide parents, therapists, and teachers with low cost, fun & effective educational materials for children. Especially those with Autism, Aspergers, PDD-POS, Speech Delay, and or other developmental delays.
Fun and Function		1-800-231-6329		https://funandfunction.com/	Sales@FunandFunction.com	Like many great things in life, our company was born of the desire for change. We started Fun and Function because we couldn't find kid-friendly sensory tools that would fit our family's needs. So we channeled our frustration and turned it into a passion for creating the best sensory toys and tools on the planet.
Global Behavior Education Alliance, Inc.		1-888-423-2559		https://www.globalbehavioredu.com	globalbehavioredu@gmail.com	Global Behavior Education Alliance, Inc. is comprised of a network of licensed professionals to provide online services for children with exceptionalities and their families -- paving the way for a brighter future. We pride ourselves on being an all-encompassing resource, providing online evaluations, therapies, counseling, and advocacy. Experts in the field have formed an alliance to help families around the globe in a convenient online format. We specialize in autism spectrum disorders, specific learning disabilities, behavior modification (based on ABA methodology), and giftedness.
My Autism Team				https://www.myautismteam.com/		MyAutismTeam is the only social network where you can truly connect, make real friendships, and share daily ups and downs in a judgment-free place. When you or a loved one are first diagnosed, it's not uncommon to feel alone and uncertain of where to find the best information and people that can help you now. We believe in making it easy to find the best people around you to help you get the answers you need, and to find support from people who can truly relate. The main currency on our site is trust – the more you share in posts and your stories, the more questions you ask and answer, the more your support will be valued by other members.
Therapy Shoppe				https://www.therapyshoppe.com/	info@therapyshoppe.com	We specialize in sensory integration products, special needs toys, oral motor tools, and occupational therapy supplies.

Mister and Munchie Weighted Blankets	460 Elizabeth St Fort Lupton, CO 80621		Tuesday - Saturday 9am to 5pm	https://www.facebook.com/misterandmunchie/	misterandmunchie@gmail.com	Custom made weighted blankets - in various sizes/colors/patterns. Machine Washable! Please contact me to ask questions or talk about pricing.
Mosaic Weighted Blankets	2000 Windy Terrace 18A Cedar Park, TX 78613	512-567-8943	Monday - Friday 9am to 4pm	http://www.mosaicweightedblankets.com	Email on Site	Most people enjoy deep tissue pressure as much as they enjoy a safe warm big hug or the feeling of sleeping under heavy blankets in the winter time. But unlike bulky, heavy blankets, Mosaic Weighted Blankets are thin enough that they can be used comfortably all year long. In addition, many people that suffer from anxiety, restless sleep patterns and different types of sensory processing disorders such as Autism Spectrum Disorders, Asperger's Syndrome, ADHD, or insomnia also benefit from wrapping them self in a weighted blanket or putting a weighted lap pad in their lap while working, during therapy sessions or traveling on long road trips.

Peace Weighted Products	3050 Button Ball New Braunfels, TX 78130	205-216-3279		http://peaceweightedproducts.com/	KristiSamson@PeaceWeightedProducts.com	Peace Weighted Products, LLC is your one stop source for affordable, washable weighted therapy products.

Effective for calming and settling of both young and old with sensory challenges and sleep issues. Deep pressure has a calming effect that allows the mind and body to relax and stabilize.
SensaCalm	2001 N Chamberlain Ave Suite 188 Chattanooga, TN 37406	855-736-7222		https://www.sensacalm.com/	info@sensacalm.com	Our custom weighted blankets and other products can be therapeutic for anyone with Anxiety, Insomnia, Autism, ADHD, PTSD and sensory processing disorders. They are designed by our brilliant sewing team, then customized and shipped to your door. Our products can lessen the effects associated with sensory disorders. Custom blankets shipped in 3 to 5 business days. Ready to ship and Clearance blankets available.
Sensory Goods	15508 W. Bell Road 101-245 Surprise, AZ 85374	623-242-9133	Monday - Friday 6am to 2:30pm	https://www.sensorygoods.com/Weighted_Blanket_s/1827.htm	info@sensorygoods.com	Our Weighted Blankets help regulate a normal sleeping pattern as well as calm anxiety and stress. Not only are Sensory Goods' Weighted Blankets effective, but they are made with high quality materials and diligent care. Along with the highest level of craftsmanship, Sensory Goods unique design keeps the Weighted Blankets modern, acceptable, and yet still therapeutic. Offering two filling options, Plastic Beads or Glass Beads, the Weighted Blanket's weight is evenly distributed in a quilted material hidden within the material of your choice where no one can see. They are washer and dryer safe. Also, Sensory Goods' Weighted Blankets are made to last, but we offer the most affordable Weighted Blankets, just in case you and your family want a NEW one!
Weighted Blankets by Grandma Lisa	Denver, CO			http://www.grandmalisa.com	Email on Site	Weighted blankets are custom made for each recipient. Not only are these blankets made to accommodate your height and weight, they are made in either patterns of your choice or your favorite solid color. Each blanket is made from flannel material and there is Velcro along the edge to hold the weight. The weight is removable and the blanket can be machine washed and dried in a dryer.
