As families try to cope with years of cancer treatment, out-of-pocket medical expenses and everyday living costs, they often reach critical breaking points. Not only do they risk losing their homes, stability, and hope, but also their ability to ensure their loved ones receive the vital care they need to survive. Through an effective process developed through years of close collaboration with hospital social workers, Family Reach provides urgent assistance to families in a timely, compassionate fashion. Family Reach is a lifeline for families fighting cancer nationwide. |
