Online						
Ben's Blankets				http://bensblankets.webs.com/		The mission of Ben's Blankets is to create and give weighted blankets to disabled children and adults who otherwise would not be able to have one. We make these blankets for free, there is no cost to have one made for you or someone you love. The blankets handmade are made by a small team of seamstresses led by a professional bridal seamstress on commercial machines. We make sure to use with the highest quality materials available, such as polypropylene plastic beads to weight the blankets and high quality quilting cotton.
