The purpose and mission of Cars for Charity, Inc. is to act as an enabling entity for other non-profit organizations. Many non-profit organizations are unable to have an in-house vehicle donation program, because they financially are unable to spend the money required by the Colorado Department of Revenue to obtain a Dealer's License, bond and do not have the staff, time and expertise to manage an in-house program. Cars for Charity, Inc. eliminates these obstacles. Cars for Charity holds the Dealer's License, the motor vehicle bond, and brokers the donated vehicles to the appropriate facility for direct sale, auction or as scrap.
