

Break Time application for SINGLE child

Break Time: A respite program for parents & guardians of children with special needs. All of the children in the family are cared for and entertained to provide a true break for parents and guardians.

Mission

To provide respite care to families raising children with special needs; to familiarize college students from education & other disciplines with the challenges faced by families with differences; to recruit, train and engage qualified members of the community as caregivers and supervisors; and to strengthen community partners serving families of children with special needs. University/College students and community members provide supervision and direct care to the children. Caseworkers, faculty and other experienced professionals donate their time and expertise. A Registered Nurse performs all medical procedures. A Behavioral Specialist attends most sessions on an as-needed basis.

Who is eligible?

Any child or young adult, ages 3 months to 21 years, living in El Paso, Park or Teller counties, who has a special health care need, be it cognitive, medical, physical, sensory, or social-emotional, will be considered for Break Time. Siblings are highly encouraged to attend. Attendance is tracked for all Break Time sessions and priority is given to those that have never attended and have not attended recently. Overall session safety is the overriding factor.
