Centro de la Familia	1287 Lake Plaza Drive #109 Colorado Springs, CO 80906	719-277-9170	Monday - Thursday 9am to 7pm	<a href="http://www.centro.ws/">http://www.centro.ws/</a>	<a href="mailto:Email on Site">Email on Site</a>	Centro de la Familia (Centro) began providing culturally competent domestic violence counseling and advocacy services in 1996 at the request of Colorado Springs' Center for the Prevention of Domestic Violence, now known as TESSA. At that time, there was a lack of bilingual therapists in El Paso County, and this services gap remains an issue for Colorado Springs and the surrounding areas. Centro has played a vital role in reducing this gap over the past 21 years, expanding services to include child play therapy, support groups, evaluations, holistic advocacy, and parenting education. Today, Centro is the only services agency in El Paso County dedicated to providing "one-stop" culturally competent services consisting of counseling, advocacy, victim support, and parenting education to the Hispanic / Latino population. As Centro serves over 1,600 individuals annually, its mission is to serve as a cultural anchor and assist families in leading safe and productive lives.

<b>Technology Resources - For College Students with Disabilities</b>	115 E 23rd St New York, NY 10010			<a href="https://collegestats.org/resources/technology-guide-for-people-with-disabilities/">https://collegestats.org/resources/technology-guide-for-people-with-disabilities/</a>	<a href="mailto:Email on Site">Email on Site</a>	This guide provides a quick overview of the different common disabilities some college students have and the different resources and technologies available to them. It is truly incredible how many different applications and software programs are out there made just to help students get by in school even with their disabilities. That said, attending college can be very positive and life-changing experience!
<b>Vroom</b>	1700 7th Ave Suite #116/149 Seattle, WA 98101			<a href="http://www.joinvroom.org/">http://www.joinvroom.org/</a>	<a href="mailto:info@joinvroom.org">info@joinvroom.org</a>	New science tells us that our children's first years are when they develop the foundation for all future learning. Every time we connect with them, it's not just their eyes that light up—it's their brains too. In these moments, half a million neurons fire at once, taking in all the things we say and do. We can't see it happening, but it's all there, all at work. That's why Vroom is here. Vroom turns shared moments into brain building moments. Whether it's mealtime, bath time, or anytime in between, there are always ways to nurture our children's growing minds.
