<p>Therapeutic weighted blankets, wraps and lap pads benefit special needs children and adults with autism, sensory processing disorder, ADHD, hyperactivity and more. These products provide gentle pressure that hug the body to produce a calming and relaxing effect.</p>
<p>At Fun and Function, our philosophy is in the name. We also carry sensory crash pads that are outstanding for active children and also function as a resting mat. Fun and Function has your child covered with our selection of blankets designed specifically for your special needs child.</p>
<p>Harkla is a small, but dedicated company whose goal is to provide families with the best products and resources for raising a special needs child.</p>
<p>Custom made weighted blankets - in various sizes/colors/patterns. Machine Washable! Please contact me to ask questions or talk about pricing.</p>
<p>Most people enjoy deep tissue pressure as much as they enjoy a safe warm big hug or the feeling of sleeping under heavy blankets in the winter time. But unlike bulky, heavy blankets, Mosaic Weighted Blankets are thin enough that they can be used comfortably all year long. In addition, many people that suffer from anxiety, restless sleep patterns and different types of sensory processing disorders such as Autism Spectrum Disorders, Asperger's Syndrome, ADHD, or insomnia also benefit from wrapping them self in a weighted blanket or putting a weighted lap pad in their lap while working, during therapy sessions or traveling on long road trips.</p>
<p>Peace Weighted Products, LLC is your one stop source for affordable, washable weighted therapy products.</p>

Salt of the Earth Weighted Gear specializes in hand-crafted custom weighted blankets, vests, lap pads, shoulder wraps and weighted plushes. Effective for calming and settling of both young and old with sensory challenges and sleep issues. Deep pressure has a calming effect that allows the mind and body to relax and stabilize.

Our custom weighted blankets and other products can be therapeutic for anyone with Anxiety, Insomnia, Autism, ADHD, PTSD and sensory processing disorders. They are designed by our brilliant sewing team, then customized and shipped to your door. Our products can lessen the effects associated with sensory disorders. Custom blankets shipped in 3 to 5 business days. Ready to ship and Clearance blankets available.

Our Weighted Blankets help regulate a normal sleeping pattern as well as calm anxiety and stress. Not only are Sensory Goods' Weighted Blankets effective, but they are made with high quality materials and diligent care. Along with the highest level of craftsmanship, Sensory Goods unique design keeps the Weighted Blankets modern, acceptable, and yet still therapeutic. Offering two filling options, Plastic Beads or Glass Beads, the Weighted Blanket's weight is evenly distributed in a quilted material hidden within the material of your choice where no one can see. They are washer and dryer safe. Also, Sensory Goods' Weighted Blankets are made to last, but we offer the most affordable Weighted Blankets, just in case you and your family want a NEW one!

Weighted blankets are custom made for each recipient. Not only are these blankets made to accommodate your height and weight, they are made in either patterns of your choice or your favorite solid color. Each blanket is made from flannel material and there is Velcro along the edge to hold the weight. The weight is removable and the blanket can be machine washed and dried in a dryer.
