YOUR IMPACT IN OUR COMMUNITY

\$314,290 provided respite support for families of children and young adults with intellectual and developmental disabilities

\$51,450 purchased assistive or adaptive items like iPads, sensory-friendly items, glasses, adaptive clothing, toys, and bikes

\$11,547 met emergency crisis needs for TRE families

Your continued support can help us meet the needs of a growing community. **WE NEED YOUR HELP TO:**

EXPAND VITAL RESPITE AND SUPPORT PROGRAMS. Medicaid or private insurance does not cover all of a family's needs. Your contribution can grow programs that care for the caregiver and support the entire family.

INVEST IN MENTAL HEALTH. Your support can help TRE hire more staff and expand programs to strengthen children's mental and social-emotional health.

ENSURE MORE CONTINUITY OF CARE FOR CHILDREN WITH DISABILITIES. 1 in 8 Colorado children has a disability or delay, but Early Intervention ends at a child's third birthday. Your donation can help strengthen the impact of those critical early years.

BRIDGE FUNDING GAPS FOR STUDENTS WITH DISABILITIES. High school graduation can mean services end literally overnight. Your donation can help students who want to pursue higher education.

CONNECT OLDER ADULTS TO LONG-TERM CARE. By 2030, people over 65 will outnumber children for the first time in U.S. history. Your gift can help older adults and support children caring for aging parents.

STRENGTHEN OUR SKILLED WORKFORCE. The human services field has been impacted greatly by the workforce crisis. Your support can help us recruit and retain the best skilled professionals.

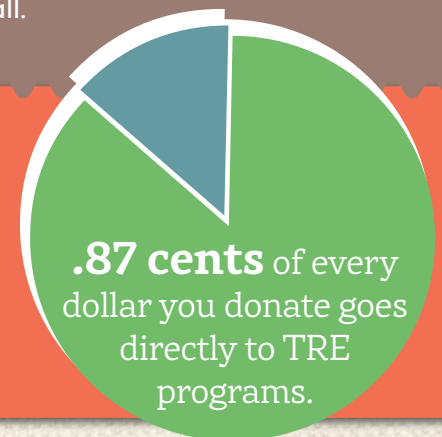

SUPPORT OUR ADVOCACY. The people we serve are historically marginalized. Your donation helps us amplify legislative priorities and host our annual Legislative Town Hall.
