AS OUR COMMUNITY GROWS, SO DOES THE NEED. Our commitment to the people we serve is steadfast, but **WE NEED YOUR HELP:**

THE PANDEMIC HAS IMPACTED OUR MENTAL HEALTH. Your support could hire more Early Childhood Mental Health professionals and help us connect adults to the support they need.

1 IN 8 COLORADO CHILDREN HAS A DISABILITY OR DELAY, but Early Intervention Services end at a child's third birthday. Your donation could ensure more continuity of care for children.

MEDICAID OR PRIVATE INSURANCE DOES NOT COVER all of a family's needs. Your contribution can expand vital respite programs that care for the caregiver.

HIGH SCHOOL GRADUATION CAN MEAN SERVICES END literally overnight for students with intellectual and developmental disabilities. Your donation can help bridge funding gaps for students who want to pursue higher education.

BY 2030, PEOPLE OVER 65 WILL OUTNUMBER CHILDREN for the first time in U.S. history. Your gift can connect older adults to long-term care and support children caring for aging parents.

TRE HAS NOT BEEN SPARED FROM THE WORKFORCE CRISIS. Your support can help us recruit and retain the best skilled professionals.

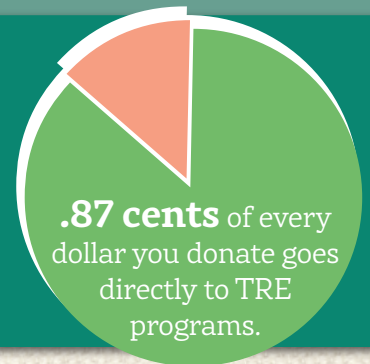

THE PEOPLE WE SERVE ARE HISTORICALLY MARGINALIZED MEMBERS OF OUR COMMUNITY. Your donation helps us advocate for legislative priorities and host events like our Legislative Town Hall.
