

TRE Part C Colorado Springs Resource List

(This list is meant to be neither an endorsement of the agencies listed below nor a complete list of options. Rather it is meant to give parents a starting place in their search for the best supports for their child. As with any medical or therapy services, you must call to find out if they accept your insurance and are a good match for your individual needs)

*Although we attempt to cover all areas of need, we cannot list all agencies serving the area. If you have specific needs which are not covered by this directory, please contact 2-1-1 (dial 2-1-1), a statewide information and referral service, to access health and human services.
